an Italian journey

Aqua

Le perfette linee classiche trovano spazio ed espressione in oggetti capaci di coniugare la seduzione di un design raffinato con l'armonia di un materiale funzionale come l'acrilico.
La trasparenza e i mille riverberi di luce fanno pensare ad una bicchieri e brocche delicate e cristalline svelando solo al tatto la loro anima resistente e decisa.

The perfect classic lines find space and expression in objects capable of combining the seduction of a refined design with the harmony of a functional material such as acrylic.
The transparency and the thousand reflections of light suggest delicate and crystalline glasses and pitchers, revealing only to the touch their resistant and decisive soul.
